Two children from two families knew what to do in a fire and attribute their actions to what they learned from *Sparkles the Fire Safety Dog*.

Inspired by her work as a firefighter and her four-legged friend, Sparkles, author Firefighter Dayna Hilton created a heart-warming story about Sparkles.

As children learn of the adventures of Sparkles the Fire Safety Dog, they learn valuable fire safety tips enabling them and their families to help keep fire safe. These tips include recognizing the firefighter as a helper and a friend, knowing the sound and purpose of a smoke alarm, learning how to crawl low under smoke, and understanding the importance of practicing a home fire drill using an escape map. *Sparkles the Fire Safety Dog* is not only fun, but educationally sound and based on the latest fire safety research for young children.

*A portion of the sales from Sparkles the Fire Safety Dog will be donated to the Keep Kids Fire Safe® Foundation
